A screenshot of the login page. It has a dark green background with a light green "Welcome" header. There are three input fields: "Username", "Password", and "Advisor" (a dropdown menu). Below the "Advisor" field is a checkbox labeled "Remember me on this device". At the bottom is a large green "LOGIN" button.

Enter the Username and Password provided by your plan consultant. Make sure Advisor is selected and Login.

# Your Dashboard

The summary screen will open onto the Plan Selection screen and allow you to choose from your listing of plans.

The Summary screen shows an overview of each plan.

# Managing Your Plan Accounts

Clicking on the ribbon on the top of the screen gives you more information:

Try clicking on **EE Search**—

This feature will bring up a listing of all of the participants in the plan. You can view their division, status, and account balance.

You can also click on their social security number and the site will take you into their account, allowing you to view their account just as they see it. This is helpful when trying to assist a participant with navigating the website—you can see the same

Next on the ribbon is **Manage**—

This feature has two choices—All Transactions or VRU/Web Requests. The All Transactions choice will show you all of the transactions that have happened in the plan and allows you to drill down to see more detail. The VRU/Web Requests allows you to see the online requests of all of the participants so you

Next on the ribbon is **Form & Reports**— The beneficiary designation form is available on the forms tab. All of the other plan forms are available on our Plan Sponsor Link portal. The reports tab has two choices—you can either generate a report or you can view a report that has already been created. You can generate a participant statement or summary reports. These will then show in the reports available for viewing. If we send electronic statements for your plan, you will be able to view

Data Validation Center

Process selection  
Payroll

Process Method:

Upload a file containing the payroll data

Manually enter employee information

Copy information from a previous payroll period

Work with a previously uploaded or manually created file

if enabled, your ribbon will end with **Payroll**— Payroll allows you to upload your payroll file. The Data Validation Center allows you to upload your payroll file and the system will validate that the data is correct. The scrubbed data is now available for the system to automatically process your contributions.
